

The City of Seward Small Boat Harbor and their consultant, Tryck Nyman Hayes, Inc., are looking for input during a master planning effort for the City of Seward harbor area. We will be discussing:

- **Parking**
- **Upland development**
- **Grids**
- **Upland storage**
- **Fire Protection**
- **Off Float Gear Storage**
- **Cart Parks**
- **Fish Cleaning**
- **Utilities**
- **Future Expansion**

How can the City of Seward small boat harbor work for our customers, visitors and business owners? How can we best plan for the future? What needs to be done first?

This advertisement may be important to you if you

- **own a boat in Seward?**
- **need a boat slip in Seward?**
- **do business in Seward?**
