

The City of Seward Small Boat Harbor is Planning and Expanding!

The City of Seward Small Boat Harbor and their consultant, Tryck Nyman Hayes, Inc., are looking for input during a master planning effort for the City of Seward harbor area.

How can the City of Seward small boat harbor work for our customers, visitors and business owners? How can we best plan for the future? What needs to be done first? We want to hear from YOU.

Two meetings will be held this fall in Seward and Anchorage.

In Anchorage

Monday, Nov. 4, 2002 at the Wilda Marston Theater, 7-9 PM
ZJ Loussac Public Library
3600 Denali Street

In Seward

Wednesday, Nov. 6, 2002 at the Vocational Technical Center, 7-9 PM
519 Fourth Avenue

We will be discussing the following:

- *Parking*
- *Upland Development*
- *Grids*
- *Upland Storage*
- *Fire Protection*
- *Off Float Gear Storage*
- *Cart Parks*
- *Fish Cleaning*
- *Utilities*
- *Future Expansion*
